

V4 Digital Art Melting Pot – residency program & performance at festivals of light in Czechia, Slovakia, Hungary and Poland

Call for applications

Festivals of light **Blik Blik** (Pilsen, CZ), **Biela noc** (Bratislava, SK), **Zsolnay Light Festival** (Pécs, HU) and **Bella Skyway Festival** (Toruń, PL) are inviting artists, designers, light artists and lightning professionals to submit their applications for the artistic residency program & performance at the festival of light.

Festival organizers of each of above-mentioned festivals offer to the light artists an artistic residency for 7-20 days and a slot for the presentation of the output of the residency at the local festival of light.

General conditions

- The residency lasts 7-20 days.
- The residency date ends with the performance (presentation of the output) at the light festival.
- The fee for the residency & performance is 800 EUR.
- The artist's traveling costs will be refunded up to 200 EUR.
- The material costs for the art piece will be covered up to 800 EUR.
- The resident will be supported by local mentor (if wanted) – “matching partner”.
- The resident will be supported also technically (rentals, equipment etc.).
- The accommodation and board for 7-20 days will be provided.
- The capacity is one artist at each place. The successful resident will be picked up by the hosting festival.
- Proposals on these kinds of artworks will be assessed:
 - illuminating object, video projection or any other light source that illuminates an existing building or space,
 - interactive installations engaging the audience,
 - illuminating statues, gadgets or similar artworks.
- Proposals on these kinds of artworks will not be assessed:
 - large scale videomapping.

- **Deadline for applications: March 31st 2022**
